What is JOTA?

JOTA is an annual event in which Boy and Girl Scouts and Guides from all over the world speak to each other by means of Amateur (ham) Radio. We have conversations via radio waves. Many contacts have been made over the years and resulted in emails and links between Scout Troops that have lasted for years. There is no age limit. Just show up and have FUN! We ask Scouts to give their name, age and what rank they are. Also, they may be asked where they live and maybe their favorite subject. Station operators will be on site to operate the equipment. All you have to do is talk and have FUN... You just might be talking to someone in another country... There will be certificates and patches. Certificates are free and patches will be \$4.00. See you there!
